D. The commissions of co-executors or co-administrators in the aggregate shall not exceed the commissions which would have been allowed to one (1) executor or administrator acting alone, except where the instrument under which the co-executors serve provides otherwise.

E. An application by executors and administrators for extraordinary commission need not be filed where all the interested parties have consented in writing to the amount of executor's or administrator's commissions and the consent is endorsed on the final account or evidenced by separate instrument filed therewith.

RULE 56 GUARDIAN'S COMPENSATION

A. A guardian of the estate shall be allowed compensation based upon principal, income and disbursements as computed in accordance with Appendix B attached to these rules.

B. Additional compensation, reimbursement for expenses incurred and fees of a guardian of a person may be fixed by the Court upon application.

C. The Court may require that applications for fees or compensation be set for hearing and that written notice of the time and place of the hearing and the amount applied for be given as required by the Court. A copy of the notice, with certified mail return receipt attached, together with an affidavit of the service of such notice, shall be filed prior to the hearing.

D. The compensation of co-guardians in the aggregate shall not exceed the compensation which would have been payable if only one (1) guardian had been performing the duties.

E. Except for good cause shown, neither guardian fees nor compensation for the attorney representing the guardian will be allowed when the guardian is delinquent in filing the account as required by RC §2109.30.

RULE 57 TRUSTEE'S COMPENSATION

A. A trustee shall be allowed compensation based upon principal, income and disbursements as computed in accordance with Appendix C attached to these rules.

B. Additional compensation for extraordinary services may be allowed upon application. The Court may require that the application be set for hearing and that notice thereof be given to interested persons. Such notice shall contain a statement of the amount for which compensation is applied.

C. The compensation of co-trustees in the aggregate shall not exceed the compensation which would have been paid if only one (1) trustee had been performing the duties except where the instrument under which the co-trustees are acting provides otherwise.

D. Except for good cause shown, neither compensation for a trustee, nor fees to the counsel representing the trustee, will be allowed while the trustee is delinquent in the account or accounting required by ORC §2109.30.

E. Trustee's compensation in excess of those computed in accordance with Appendix C shall be allowed where the instrument creating such trust specifically provides for such compensation.

RULE 58 EXCEPTION TO THE RULES

Upon application, and for good cause shown, the Probate Division of the Court of Common Pleas may grant exception to C.P. Sup. R. 18-46.

RULE 59 PRE-DEATH PROBATE OF WILL DECLARATORY JUDGMENT PROCEDURE AND FORM OF COMPLAINT

The Complaint need not name as parties defendant any persons beyond the scope of ORC §2107.081 (A) even though parties named in a prior Will may not be necessary parties (see ORC §2107.081 (A)), they may be proper parties.

Deposit the original Will with the appropriate Court official who will record the Will in a special index for deposited Wills.

A Civil Action must then be filed with a request for service, and the required deposit.

The Court shall index and docket this action in the same manner as any other civil action and issue Summons and Notice of Hearing to all parties.

The Court, if the Will is found valid, prepares and files duplicate original entries. One of the entries is sealed with the Will in an envelope to be secured by the Court, and the other is public record in the Court file.

This Court adopts the position that the testator has the right to have the Will remain confidential unless otherwise ordered. The determination of testamentary capacity is not anticipated to be necessary to be determined from examining the Will or dispositive provisions thereof.

**RULE 60 RULES TO EXPEDITE COMPETENCY PROCEEDINGS
PURSUANT TO SECTIONS 2152.51 TO 2152.59 RC.**

A. This rule is to ensure that proper notice of competency hearings is provided to the appropriate person, and to ensure that any proceedings on an underlying complaint are stayed pending the determinations under sections 2152.51 to 2152.59 Revised Code.

B. Juvenile competency proceedings shall be scheduled and heard on an expedited basis. Hearings in juvenile competency proceedings shall be held in strict compliance with applicable deadlines as established by statute or by this rule.

C. Upon the conclusion of each hearing, the Court shall provide written notice to the prosecuting attorney, the child's attorney, the child's guardian ad litem, and the child's parents, guardian, or custodian of the date, time, and place of the next scheduled hearing. Mailed notices shall not be required for any party or other individual designated in this rule to whom notice of the next hearing was provided in writing upon conclusion of the immediately preceding hearing.

D. Upon the filing of a motion for determination regarding a child's competency or upon the Court's own motion, the Court shall stay all delinquency proceedings pending a determination of competency. If, upon a determination of competency, the Court determines that the child is not competent, but could likely attain competency, the court order staying the delinquency proceedings shall remain in effect until such time as the child attains competency or the proceeding is dismissed.

RULE 61 NAME CHANGE AND NAME CONFORMITY PROCEEDINGS

This rule governs name change and name conformity proceedings under section 2717 Revised Code.

A. Choosing Correct Proceeding

A name change proceeding, name conformity proceeding and birth record correction proceeding serve different purposes. Each action has its own requirements. The Court will determine if the application is the appropriate procedure to accomplish the person's intent based on the circumstances.

A name change proceeding seeks to change all or part of a person's name to a different name going forward.

A name conformity proceeding is solely to correct misspellings, inconsistencies or errors on one or more official identity documents evidencing a person's current legal name. A name conformity corrects errors that occurred in the past. It does not change a person's name, but merely identifies conflicting problems in their official identity documents and corrects those problems by a Court Order so that all of the person's official identity documents are consistent and conformed to prove the applicant's chain of identity and reflect the legal name the person currently uses.

A birth record correction proceeding only corrects clerical errors in the birth record of a person who was born in Ohio. A birth record correction proceeding may not be substituted for a name change proceeding or name conformity proceeding.

B. Documentation Requirements on Name Change Proceedings

An applicant seeking a name change must provide photocopies of the following documents relating to applicant or minor with the application:

- Birth Certificate
- Social Security Card
- Driver's License or State issued ID Card (if any)

Upon review of the application, the Court may order the submission of other documents the Court deems relevant to the application.

The applicant must redact (black out) social security numbers, driver's license numbers, and driver's license issuance and expiration dates on all documents submitted to protect the privacy and confidential information of the applicant or minor.

C. Documentation Requirements on Name Conformity Proceedings

An applicant seeking to conform a legal name must provide photocopies of all official identity documents relating to the applicant or minor with the application, including:

- Birth Certificate
- Social Security Card
- Driver's License of State issued ID Card (if any)
- Marriage Record (if any)
- Divorce Decree (if any)
- Passport (if any)
- All other documents for which name conformity is sought

Upon review of the application, the Court may order the submission of other documents the Court deems relevant to the application.

The applicant must redact (black out) social security numbers, driver's license numbers, and driver's license issuance and expiration dates on all documents submitted to protect the privacy and confidential information of the applicant or minor.

D. Hearing on Adult Name Change and Adult Name Conformity Proceedings

Generally, the Court will not require a hearing and will dispense with notice on an adult name change or an adult name conformity proceeding. The Court may require a hearing if the Court determines that the application presents any irregularities or issues, or if the Court determines that the legal interests of another party may be affected by the proceeding. If the Court requires a hearing, it will determine the manner, scope and content of the hearing notice. The applicant is responsible for serving the hearing notice.

E. Hearings on Minor Name Change and Minor Name Conformity Proceedings

In uncontested name change proceedings and name conformity proceedings for a minor in which the consent of both natural parents of the minor is filed simultaneously with the application, the Court generally will not require a hearing and will dispense with notice.

If an application for name change of a minor or application to conform name of a minor is filed without the written consent of both natural or adoptive parents, or if the Court determines that the application presents any irregularities or issues, the Court will schedule the application for a hearing. Notice of the hearing will comply with paragraph F of this Rule. The applicant must appear at the hearing. The minor may attend the hearing, but is not required to be present unless the Court orders otherwise.

F. Service of Notice on Minor Name Changes and Minor Name Conformity Proceedings

Any parent or alleged father who has not consented to a minor's name change or name conformity will be served by the Court with notice of the hearing pursuant to Civ. R. 73. If a parent or alleged father's whereabouts are unknown, the Court will require the applicant to publish notice of the hearing, at the applicant's expense, to the parent or alleged father who has not consented in a newspaper of general circulation in Carroll County, one time at least 30 days before the hearing. The applicant must file proof of publication of the notice with the Court no later than five (5) Calendar Days before the date of hearing on the application.

G. Contested Proceedings

If any name change proceeding or name conformity proceeding becomes contested, the Court will convert the scheduled hearing date to a pretrial conference, during which the Court will set a new hearing date. At the pretrial conference, the Court will determine whether to excuse a minor who is the subject of the action from appearing at the hearing and whether the Court will conduct an *in camera* interview of the minor before the hearing. The applicant and the person contesting the application must attend the pretrial conference personally or through their legal counsel.

H. Confidentiality

If an applicant for a name change or name conformity desires the proceeding and the record to be confidential, the applicant must file a request for confidentiality supported by an affidavit or other sufficient proof that notice of the hearing or public access to the record would jeopardize the applicant's personal safety. A proposed entry must accompany the request. If the Court grants the applicant's request, the Court will waive notice and permanently seal the file.

APPENDIX F

COURT OF COMMON PLEAS, CARROLL COUNTY, OHIO
STANDARD CHILD COMPANIONSHIP SCHEDULE

1. For a Child age 0 – 1 year old:
Standard visitation would entitle the non-residential parent to be entitled to visit with the child at least twice per week starting at four hours per visit and to be expanded based upon the child’s age, health, and/or eating habits to one

midweek visit and one visit on the weekend. The weekend visit to be expanded to one overnight visit depending on the child.

For a Child age 1 – 3 years old:

The court would expect to expand visitation from one overnight expanding to two overnights consecutively every other weekend Friday to Sunday visitation plus one midweek visit.

For a Child age 4 and above:

The court would anticipate every other weekend plus one midweek visit with the child every week for a limited duration from three – six hours.

2. Alternate weekends from Friday at 7:00 p.m. to Sunday at 7:00 p.m.
3. All visitation shall have an agreed starting time. A parent late more than thirty minutes shall forfeit that visitation period unless an emergency has occurred and the late parent has called to make other arrangements.
4. For the purpose of visitation, there are seven holidays as follows:
 - (1) New Year's Day
 - (2) Martin Luther King Day
 - (3) Easter
 - (4) Memorial Day
 - (5) The 4th of July
 - (6) Labor Day
 - (7) Thanksgiving

The odd-numbered years the mother shall have the child on the odd-numbered days and the father shall have visitation on the even-numbered days. In the even-numbered years, the father shall have the odd-numbered holidays and the mother the even-number holidays.

5. Each year at Christmas time the custodial parent shall have the child on Christmas Day and the non-custodial parent shall have the child from 1:00 p.m. to 9:00 p.m. Christmas Eve. Once the child attains school age the court's standard visitation would include a shared division of the Christmas Break and/or any spring/holiday break that could either be shared or alternated as the parties may agree.

6. On Mother's Day, Father's Day, and the respective parent's birthday annually, the child will be with the appropriate parent on those days.

7. The non-custodial parent shall be entitled to summer visitation based upon the following schedule:
 - For a child age 0-1 years old: one week summer visitation
 - For a child age 2- 3 years old: two non-consecutive weeks of summer visitation
 - For a child age 4-12 years old: summer visitation should be expanded to up to six weeksSummer visitation that does not entail the child leaving the community would entitle the other parent to a midweek visit with the child.
8. The child shall celebrate his birthday in the home of the custodial parent, unless it falls on a visitation day, and the other parent can make up for the birthday with a separate birthday party, if desired.
9. Visitation does not mean picking the child up and then leaving him with someone else. The non-custodial parent shall furnish all transportation to and from the child's residence.
10. Additional visitation shall be by agreement of the parties.
11. Non-emergency cancellations require a minimum of twenty-four hours advance notice. Visitations cancelled by the custodial parent must be made up during the same calendar month. Visitations cancelled by the non-custodial parent are forfeited.
12. If one party is entitled to one week, two weeks, or up to six weeks visitation, the other party is entitled to the same number of weeks of visitation that would not include the other party having companionship during any visitation period. The parent exercising the visitation shall make phone contact at least once per week with the other parent so they can have communication of the child during the break.
13. All visitations are subject to the needs of the child and shall be exercised for the benefit of the child under the circumstances.
14. These are the Standard Companionship Rules of the Court, and they will be changed or modified by the Court if it is shown that there is need for such a change.

(Effective January 5, 2011)

APPENDIX G

- 1) One (1) week during the “Spring Break” if such period exceeds seven days. The Residential parent shall inform the non-residential parent as to the exact dates of this school vacation, and the parties shall agree on the period of visitation, by February 1 each year.
- 2) Up to a maximum of six (6) weeks of the “summer vacation” at the non-residential parent’s election upon not less than thirty (30) days advance written notice. The weeks need not necessarily be consecutive. The child(ren’s) needs, age, and pre-scheduled summer activities shall be considered by the parents when selecting both the timing and amount of summer visitation.
- 3) Any two or three day “long” weekend upon ten (10) days advance notice to the residential parent.
- 4) One-half of the “Christmas vacation” upon thirty (30) days advance written notice to the residential parent. - 6) Transportation expenses will generally be the responsibility of the party exercising visitation.
- 7) These are “standard” rules for out-of-state companionship, and they are subject to modification by the Court if a need to do so is demonstrated.

APPENDIX H

IN THE COURT OF COMMON PLEAS OF CARROLL COUNTY, OHIO JUVENILE DIVISION

IN THE MATTER OF:

Case No.

PUBLIC ACCESS TO ABUSE, NEGLECT,
DEPENDENCY CASES

JUDGMENT ENTRY

The Court finds that pursuant to Ohio Rule of Superintendence 45 (E) that the Court can restrict public access to case documents if it finds by clear and convincing evidence that the presumption of public access is outweighed by a higher interest after considering the following:

- a) Whether public policy is served by restricting public access;
- b) Whether any state, federal, or common law exempts the document or information from public access;
- c) Whether factors that support restriction of public access exist, including risk of injury to persons, individual privacy rights and interests, proprietary business information, public safety, and fairness of the adjudicatory process.

The Court finds that abuse, neglect, dependency cases have historically been considered nonpublic due to the sensitive nature of the proceedings. The damage to families and children due to the prejudicial nature of the proceeding outweighs the value of public access to such cases. The Court finds that the Rule recognizes these issues by specifically referring to these types of cases in its definition of “Personal identifiers”. Furthermore, the Court’s attempt to comply with the Rule by using initials has created confusion and an undue burden in the administration of these cases.

Bases upon the above findings finds by clear and convincing evidence that all abuse, neglect, and dependency cases should be restricted from access by the public. The Court may Order a specific case to be a public record upon a Motion and good cause shown.

IT IS HEREBY ORDERED THAT all Abuse, Neglect, and Dependency cases shall be restricted from public access unless specifically Ordered by the Court after Motion and good cause shown.
