Each attorney representing a party in this Court and who is not Court-appointed shall see that he or she is properly listed as counsel of record for said party in accordance with JuvR 4(D) by filing a written notice with the Court. The Court will not consider such representation to continue for the purpose of any case other than the particular case in which appearance is entered, unless otherwise notified in writing.

RULE 14 JURY SERVICE

Jury Service is a duty of all qualified citizens and shall not be denied or limited, in any way, on the basis of race, national origin, gender, age, religious belief, income, occupation, disability, or any other factor that discriminates against a cognizable group within the jurisdiction of this Court.

The names of potential Jurors shall be drawn from a Jury source list compiled from the poll list of registered voters obtained from the Board of Elections and may be obtained from the Ohio BMV list of Carroll County residents who hold a driver's license. The Jury source list shall be representative and shall be as inclusive of the adult population of Carroll County as is feasible. This Court shall review the Jury source list annually. Should the Court determine, upon review, that the Jury source list is not sufficiently representative and inclusive of the adult population of Carroll County, the Court shall direct appropriate corrective action.

Except as otherwise provided, selection of prospective Jurors from the Jury source list, summoning them for service, assigning them to panels, and calling them for voir dire shall be conducted in a random manner, either manual or automatic, so that every person listed has an equal probability of selection. The method utilized shall be documented by the Clerk of Courts. However, departure from random selection shall be appropriate under the following circumstances:

- (A) To exclude persons ineligible for service in accordance with these rules;
- (B) To remove prospective Jurors for cause or if challenged peremptorily;
- (C) To provide all prospective Jurors with an opportunity to be called for Jury Service and to be assigned to a panel;

All persons on the Jury source list shall be eligible for service except:

- (A) Persons under the age of 18 years;
- (B) Persons who are not U.S. citizens;
- (C) Persons who are not residents of Carroll County;
- (D) Persons who are not fluent in the English language; and
- (E) Convicted felons who have not had their civil rights restored.

Persons summoned for petit Jury service shall remain on a panel until:

- (A) Their services are no longer deemed necessary by the Court;

- (B) The term of Court has ended;
- (C) Said Juror has been summoned and has reported for service two (2) times without serving;
- (D) Said Juror has served at least two (2) consecutive Trial days in one (1) Trial; or
- (E) Said Juror has served a total of two (2) or more Trial days regardless of the number of Trials.

All Persons on the Jury source list shall be exempt, excused or deferred from Jury Service, in the discretion of the Court or the Jury Commissioners or their authorized representative. Request for exemption, excuse, or deferral of service shall be made in writing.

Exemptions from Jury Service are as follows:

- (A) Over the age of 70, or physically unable to serve, and has made a request to be exempted;
- (B) Death of a spouse or near relative or serious personal or family illness supported by a physician's certificate of inability to serve;
- (C) The Juror is necessarily absent from the County and will not return in time to serve;
- (D) Cloistered members of a religious organization;
- (E) The Juror previously has been called as a Juror for Trial in a Court of Record in the County within the same Jury year;
- (F) The interest of the public or of the Juror will be materially injured by the Juror's attendance.

Persons on the Jury source list may be temporarily excused for a specified Trial or deferred a specific period of time by the Court, Juror Commissioners and/or their authorized representative, as follows:

- (A) The Juror will be necessarily absent from the County on a temporary basis and will not return in time to serve;
- (B) The Juror is a full time student at a bona fide educational institution and has requested to be excused;
- (C) The Juror will be on vacation during the period of their respective Jury service.

Voir dire examination shall be limited to matters relevant to determining whether to remove a Juror for cause and to determine the Juror's fairness and impartiality. Juror questionnaires may be submitted by the attorneys, with the

approval of the Court, and may be ordered by the Court on an individual case basis.

Upon Motion or **Sua Sponte**, if the Court determines during the Jury Selection process that a prospective Juror is unable or unwilling to hear the matter fairly and impartially, the Court shall excuse that person for cause.

The exercise of peremptory challenges shall be governed by the law of the State of Ohio.

During the voir dire examination, counsel shall not argue their case in any manner; nor shall they engage in efforts to indoctrinate the Jurors; nor shall they ask questions concerning anticipated instructions or theories of law, except for general questioning on the validity and philosophy of the burden of proof and presumption of innocence; Jurors shall not be asked what kind of Verdict they would return under any circumstances. Questions that may be put to the panel of the prospective Jurors as a whole must be asked in that fashion.

The responsibility for administering the Jury System shall be vested in a Court Administrator acting under the supervision of the Administrative Judge and in conjunction with the Jury Commissioners. Pursuant to the above authorization, the Court Administrator shall issue the notice summoning prospective Jurors, Juror Questionnaires, and written requests for exemption, excuse or deferral, which documents shall be in a form approved by the Court and delivered by ordinary mail with readily understandable explanations for completion of the forms, return of the forms, and the consequences for failure to do so. Said explanation shall clearly advise each prospective Juror of their right to request an **in-camera hearing** to determine whether their legitimate private interests warrant non-disclosure of their written responses in their Questionnaires. Any person summoned for Jury service who fails to appear without exemption, excuse, or deferral shall be summoned to show cause as to why that person should not be held in contempt.

The Court shall collect and analyze information regarding the performance of the Jury System on an annual basis, but not later than December of each calendar year, in order to evaluate:

- (A) Whether the Jury source list is representative and inclusive;
- (B) The effectiveness of the qualification and summoning procedures;
- (C) The responsiveness of individual citizens to Jury duty summons;
- (D) The efficient use of Jurors;

- (E) The cost effectiveness of the Jury Management System.

The Court shall utilize the service of Jurors in such a manner as to achieve optimum use and minimum inconvenience. To that end, the Court shall determine the minimum number of prospective Jurors necessary to accommodate Trial activity. Until a prospective Juror has been selected by the Court to participate in a Trial activity, the information contained in the Juror Questionnaires shall not be subject to release to the public, since the presumption of openness does not apply until the minimum number of Jurors needed to accommodate the prospective Trial has been Ordered by the Court.

The Court shall provide an adequate and suitable environment for Jurors. Clear directions for the time, place, and manner of checking in and information on parking shall be given to prospective Jurors in advance. The Jury deliberation room shall include space, furnishings and facilities conducive to reaching a fair verdict. The safety and security of the deliberation room shall be insured. To the extent feasible, Jury facilities and procedures shall minimize contact between the Jurors, parties, witnesses, counsel and the public.

Persons called for Jury duty shall receive a reasonable fee for their services and expenses in accord with ORC §2313.34 and appropriate resolution of the Board of County Commissioners of Carroll County, Ohio. Such fee shall be promptly paid.

In accord with ORC §2313.18, employers shall be prohibited from discharging, laying off, denying advancement opportunities to or otherwise penalizing the employees who miss work because of Jury service. Whoever violates ORC §2313.18 and/or any provision of this Local Rule shall be punished as and for Contempt of Court pursuant to Chapter 2705 of the Revised Code.

The Court shall be responsible for providing instructions that are readily understood by individuals unfamiliar with the law and the legal system to prospective Jurors appearing pursuant to summons. The Trial Judge shall:

- (A) Provide preliminary instructions to all prospective Jurors;
- (B) Provide instructions at the commencement of voir dire and/or immediately following the empanelling of the Jury to explain the Jurors' role, the Trial procedure, the nature of evidence and its evaluation, the issues to be addressed and basic legal principles; and
- (C) Provide instructions, prior to deliberations, on the law, procedures that the Jury must follow in deliberating, and the

method for reporting the results of deliberation.

At the conclusion of the Trial, after the Jury has completed its service, the Trial Judge shall:

- (A) Advise the Jurors that they no longer have a duty of confidentiality;
- (B) Advise the Jurors as to their rights with respect to inquiries from counsel, the press, or others;
- (C) Advise the Jurors as to whether they are discharged from service or whether they will be required to report at another time;
- (D) Advise the Jurors that their service is appreciated;
- (E) Not express approval or disapproval of the result of the Jury's deliberation; and
- (F) Dismiss the Jury.

All communication between the Trial judge and the Jurors, from the time prospective Jurors report to the courtroom until the Jury is dismissed, shall be either in writing or on the record. The parties shall be advised of such communications and shall be given an opportunity to be heard.

A Jury shall be sequestered only for good cause. Good cause includes insulating members of a Jury from improper information or influence. The Trial Judge shall have discretion to sequester a Jury on motion or **sua sponte** and shall have the responsibility to set and manage the conditions of sequestration in order to achieve the purpose and to minimize the inconvenience and discomfort of Jurors. Court personnel shall be given training as to escorting and assisting Jurors during sequestration.

B. Attorney fees for the administration of estates shall not be paid until the final account is prepared for filing unless otherwise approved by the Court upon application and for good cause shown.

E. Except for good cause shown, attorney fees shall not be allowed to attorneys representing fiduciaries who are delinquent in filing the accounts required by ORC §2109.30.

F. If a hearing is scheduled on an application for the allowance of attorney fees, notice shall be given to all parties affected by the payment of fees, unless otherwise ordered by the Court.

D. Where counsel fees of an extraordinary nature have been awarded for services to the estate which normally would have been performed by the executor or administrator; the said executor's or administrator's fee shall be reduced by the amount awarded to counsel for those services rendered unless, for good cause shown, the Court finds that such a ruling would be unfair.

An application by executors and administrators for extraordinary commission need not be filed where all the interested parties have consented in writing to the amount of executor's or administrator's commissions and the consent is endorsed on the final account or evidenced by separate instrument filed therewith.

RULE 53 GUARDIAN'S COMPENSATION

A. Guardian's compensation shall be set by local rule (See paragraph F) and the schedule of compensation set forth in the local rule shall be filed with the Supreme Court in accordance with CAP. Sup. R. 44.

B. Additional compensation, reimbursement for expenses incurred and fees of a guardian of a person may be fixed by the Court upon application.

C. The Court may require that applications for fees or compensation be set for hearing and that written notice of the time and place of the hearing and the amount applied for be given as required by the Court. A copy of the notice, with certified mail return receipt attached, together with an affidavit of the service of such notice, shall be filed prior to the hearing.

D. The compensation of co-guardians in the aggregate shall not exceed the compensation which would have been payable if only one guardian had been performing the duties.

E. A separate schedule of the computation of the guardian's compensation shall be set forth in the guardian's account as a condition of its approval. The computation shall be on a form (see Appendix C) as set forth in conformity with a local rule adopted and filed in accordance with CAP. Sup.R. 44. Except for good cause shown, neither compensation for a guardian nor fees to the

attorney representing the guardian will be allowed when the guardian is delinquent in filing the account as required by ORC §2109.30.

F. Unless otherwise provided by law or ordered by the Court, a guardian may charge annually for his ordinary services an amount computed in accordance with the following schedule:

- (1) Income fee: 5% of the gross income plus an additional 2% of the gross income attributable to real estate, chargeable to income; the Court reserves the right to increase or decrease this percentage as deemed appropriate.
- (2) Principal Fee: \$3.00 per \$1000.00 on the first \$100,000; \$2.50 per \$1000.00 on the next \$200,000 and \$1.50 per \$1000.00 on the balance; of the fair market value of the corpus, annually chargeable to principal unless otherwise ordered.
- (3) Such guardian may, with the approval of the Court, be allowed a principal distribution fee upon the final distribution of any part of the corpus of the guardianship property equal to one percent (1%) of the fair value of the part distributed, and the amount shall be charged against and deducted from such distribution or payment.

A minimum annual fee of \$300.00 will be allowed in each guardianship.

For purposes of determining compensation based on income, the following shall **NOT** be considered income:

- (a) Receipt of corpus by guardian;
- (b) Balances carried forward from one accounting period to another, and;
- (c) Investment and reinvestment of corpus, including conversion of corpus to cash.

For purposes of computing the compensations herein provided, the fair market value of the principal of the trust property shall be determined by the guardian as of the date of his appointment and as of each anniversary thereafter. The compensation so determined may be charged during the ensuing year. The annual fair market value of the principal shall be adjusted from time to time to reflect additions to and withdrawals from the principal of the trust estate, and the compensation for the remaining portion of the annual period shall be similarly adjusted to reflect such revised valuation.

Additional compensation for extraordinary services or allowance of expenses of a guardian; and the compensation of guardian of person only may be allowed upon application to the Court.

G. COMPUTATION OF GUARDIAN'S FEE: FORM. The form to be filed pursuant to CAP. Sup. Rule 42 (E) for computation of Guardian's compensation shall be substantially as set forth in Appendix C.

RULE 54 TRUSTEE'S COMPENSATION

A. Trustee's compensation shall be set by local rule and the schedule of compensation set forth in the local rule shall be filed with the Supreme Court in accordance with CAP. Sup. R. 44.

B. Additional compensation for extraordinary services may be allowed upon application. The Court may require that the application be set for hearing and that notice thereof be given to interested persons. Such notice shall contain a statement of the amount for which compensation is applied.

C. A separate schedule of the computation of a trustee's compensation, conforming to the form in conformity with a local rule adopted and filed in accordance with C.P. Sup. R.44, shall be filed with the Court at the time of payment of the fee.

D. The compensation of co-trustees in the aggregate shall not exceed the compensation which would have been paid if only one trustee had been performing the duties except where the instrument under which the co-trustees are acting provides otherwise.

E. Except for good cause shown, neither compensation for a trustee, nor fees to the counsel representing the trustee, will be allowed while the trustee is delinquent in the account or accounting required by ORC §2109.30.

G. Except where the instrument creating the trust makes provision for compensation, unless otherwise provided by statute or ordered by the Court, a testamentary trustee may charge annually for ordinary services performed in connection with the administration of each separate trust estate an amount computed in accordance with the following schedule:

- (1) Income Fee: 5% of the gross income plus an additional 2% of gross income attributable to real estate rentals where the fiduciary is

- managing such real estate, chargeable to income;
- (2) Principal Fee: \$3.00 per \$1,000 on the first \$100,000.00; \$2.50 per \$1,000 on the next \$200,000.00; and \$1.50 per \$1,000 on the balance of the fair market value of the corpus, annually chargeable to principal unless otherwise ordered.
 - (3) Such trustee may, with the approval of the Court, be allowed a principal distribution fee upon the final distribution of any part of the corpus of the trust property equal to one percent (1%) of the fair value of the part distributed, and the amount shall be charged against and deducted from such distribution of payment.  - (a) Receipt of corpus by trustee;
 - (b) Balances carried forward from one accounting period to another ;
and
 - (c) Investment and reinvestment of corpus, including conversion of corpus to cash.

For purpose of computing the compensation as herein provided, the fair market value of the principal of the trust property shall be determined by the trustee as of the date of his appointment and as of each anniversary thereafter. The compensation so determined may be charged during the ensuing year. The annual fair market value of the principal shall be adjusted from time to time to reflect additions to and withdrawals from the principal of the trust estate, and the compensation for the remaining portion of the annual period shall be similarly adjusted to reflect such revised valuation.

Additional compensation for extraordinary services of a trustee may be allowed upon application to the Court. The Court reserves the right to increase or decrease this percentage as deemed appropriate.

H. **COMPUTATION OF TRUSTEE'S FEE; FORM.** The form to be filed pursuant to C.P. Sup. R. 43 (C) for computation of trustee's compensation shall be substantially as set forth in Appendix D.

RULE 55 EXCEPTION TO THE RULES

Upon application, and for good cause shown, the probate division of the Court of Common Pleas may grant exception to C.P. Sup. R. 18-46.

**RULE 56 PRE-DEATH PROBATE OF WILL DECLARATORY
JUDGMENT PROCEDURE AND FORM OF COMPLAINT**

The Complaint need not name as parties defendant any persons beyond the scope of ORC §2107.081 (A) even though parties named in a prior will may not be necessary parties (see ORC §2107.081 (A)), they may be proper parties.

Deposit the original Will with the appropriate Court official who will record the Will in a special index for deposited Wills.

A Civil Action must then be filed with a request for Service, and the required deposit.

The Court shall index and docket this action in the same manner as any other Civil Action.

The Application and Entry for Appointment of Guardian ad Litem for minor and incompetent parties must now be filed. If there is a unanimous waiver, or the attorney so desires, the cause will be set for hearing.

The Court will issue Summons and Notice of Hearing (if date is set) to all parties, attaching a copy of the complaint.

Unless previously set, then 28 days after all parties are properly served, the cause will be set for hearing. The Court shall notify all parties of said hearing.

At the hearing:

- a. Appearances and testimony as to plaintiff's competency.
- b. Civil Rules apply to medical or psychiatric examinations. See ORC §35. A deposit is required.
- c. The Court may enter a consent final judgment.
- d. Upon being satisfied that the Will is properly executed, the Court may grant Default Judgment.
- e. The Will must be examined openly by the Court.
- f. Execution may be found proper by the Court if it appears from the face of the Will that its execution complies with the law of Ohio in force at the time of execution, pursuant to ORC §2107.28.

The Court, if the Will is found valid, prepares and files duplicate original Entries. One of the Entries is sealed with the Will in an envelope to be secured by the Court, and the other is public record in the Court file.

At the plaintiff's death, the Will shall be offered for Probate and the usual admission procedures followed. There is some debate as to the extent to which a Will should remain confidential in an action for declaratory judgment. One view would have the Will remain confidential from the defendants because a testator should have the right to make a Will that remains private until his death.

Furthermore, a testator may not wish to avail himself on this action due to his wish that the beneficiaries and bequests of his Will remain confidential especially from the heirs who have been excluded. Also, the testator's testamentary capacity and freedom from undue influence should be proved upon evidence other than the Will itself.

Another view would have the Will made available to defendants upon the filing of the Complaint or thereafter by discovery under the Civil Rules. Proponents of this view argue that defendants have a constitutional right to view the Will. In addition, the Will should be available as evidence of testamentary capacity and freedom from undue influence.

This Court adopts the position that the testator has the right to have the Will remain confidential unless otherwise ordered. The determination of testamentary capacity is not anticipated to be necessary to be determined from examining the Will or dispositive provisions thereof.

APPENDIX D

COURT OF COMMON PLEAS, CARROLL COUNTY, OHIO STANDARD CHILD COMPANIONSHIP SCHEDULE

1. For a Child age 0 – 1 year old:

Standard visitation would entitle the non-residential parent to be entitled to visit with the child at least twice per week starting at four hours per visit and to be expanded based upon the child's age, health, and/or eating habits to one midweek visit and one visit on the weekend. The weekend visit to be expanded to one overnight visit depending on the child.

For a Child age 1 – 3 years old:

The court would expect to expand visitation from one overnight expanding to two overnights consecutively every other weekend Friday to Sunday visitation plus one midweek visit.

For a Child age 4 and above:

The court would anticipate every other weekend plus one midweek visit with the child every week for a limited duration from three – six hours.

2. Alternate weekends from Friday at 7:00 p.m. to Sunday at 7:00 p.m.

3. All visitation shall have an agreed starting time. A parent late more than thirty minutes shall forfeit that visitation period unless an emergency has occurred and the late parent has called to make other arrangements.

4. For the purpose of visitation, there are seven holidays as follows:

- (1) New Year's Day
- (2) Martin Luther King Day
- (3) Easter
- (4) Memorial Day
- (5) The 4th of July
- (6) Labor Day
- (7) Thanksgiving

The odd-numbered years the mother shall have the child on the odd-numbered days and the father shall have visitation on the even-numbered days. In the even-numbered years, the father shall have the odd-numbered holidays and the mother the even-number holidays.

5. Each year at Christmas time the custodial parent shall have the child on Christmas Day and the non-custodial parent shall have the child from 1:00 p.m. to 9:00 p.m. Christmas Eve. Once the child attains school age the court's standard visitation would include a shared division of the Christmas Break and/or any

spring/holiday break that could either be shared or alternated as the parties may agree.

6. On Mother's Day, Father's Day, and the respective parent's birthday annually, the child will be with the appropriate parent on those days.

7. The non-custodial parent shall be entitled to summer visitation based upon the following schedule:

For a child age 0-1 years old: one week summer visitation

For a child age 2- 3 years old: two non-consecutive weeks of summer visitation

For a child age 4-12 years old: summer visitation should be expanded to up to six weeks

Summer visitation that does not entail the child leaving the community would entitle the other parent to a midweek visit with the child.

8. The child shall celebrate his birthday in the home of the custodial parent, unless it falls on a visitation day, and the other parent can make up for the birthday with a separate birthday party, if desired.

9. Visitation does not mean picking the child up and then leaving him with someone else. The non-custodial parent shall furnish all transportation to and from the child's residence.

10. Additional visitation shall be by agreement of the parties.

11. Non-emergency cancellations require a minimum of twenty-four hours advance notice. Visitations cancelled by the custodial parent must be made up during the same calendar month. Visitations cancelled by the non-custodial parent are forfeited.

12. If one party is entitled to one week, two weeks, or up to six weeks visitation, the other party is entitled to the same number of weeks of visitation that would not include the other party having companionship during any visitation period. The parent exercising the visitation shall make phone contact at least once per week with the other parent so they can have communication of the child during the break.

13. All visitations are subject to the needs of the child and shall be exercised for the benefit of the child under the circumstances.

14. These are the Standard Companionship Rules of the Court, and they will be changed or modified by the Court if it is shown that there is need for such a change.

(Effective January 5, 2011)

APPENDIX E

- 2) Up to a maximum of six (6) weeks of the “summer vacation” at the non-residential parent’s election upon not less than thirty (30) days advance written notice. The weeks need not necessarily be consecutive. The child(ren’s) needs, age, and pre-scheduled summer activities shall be considered by the parents when selecting both the timing and amount of summer visitation.
- 3) Any two or three day “long” weekend upon ten (10) days advance notice to the residential parent.
- 4) One-half of the “Christmas vacation” upon thirty (30) days advance written notice to the residential parent. - 5) Additional visitation shall be by agreement of the parties and in the best interest of the child(ren).
- 6) Transportation expenses will generally be the responsibility of the party exercising visitation.
- 7) These are “standard” rules for out-of-state companionship, and they are subject to modification by the Court if a need to do so is demonstrated.

APPENDIX F
IN THE COURT OF COMMON PLEAS OF CARROLL COUNTY, OHIO
JUVENILE DIVISION

IN THE MATTER OF:

Case No.

PUBLIC ACCESS TO ABUSE, NEGLECT,
DEPENDENCY CASES

JUDGMENT ENTRY

The Court finds that pursuant to Ohio Rule of Superintendence 45 (E) that the Court can restrict public access to case documents if it finds by clear and convincing evidence that the presumption of public access is outweighed by a higher interest after considering the following:

- a) Whether public policy is served by restricting public access;
- b) Whether any state, federal, or common law exempts the document or information from public access;
- c) Whether factors that support restriction of public access exist, including risk of injury to persons, individual privacy rights and interests, proprietary business information, public safety, and fairness of the adjudicatory process.

The Court finds that abuse, neglect, dependency cases have historically been considered nonpublic due to the sensitive nature of the proceedings. The damage to families and children due to the prejudicial nature of the proceeding outweighs the value of public access to such cases. The Court finds that the Rule recognizes these issues by specifically referring to these types of cases in its definition of "Personal identifiers". Furthermore, the Court's attempt to comply with the Rule by using initials has created confusion and an undue burden in the administration of these cases.

Bases upon the above findings finds by clear and convincing evidence that all abuse, neglect, and dependency cases should be restricted from access by the public. The Court may Order a specific case to be a public record upon a Motion and good cause shown.

IT IS HEREBY ORDERED THAT all Abuse, Neglect, and Dependency cases shall be restricted from public access unless specifically Ordered by the Court after Motion and good cause shown.
